- (6) A licence granted to any person under this Part shall not be transferable to any other person without the previous consent in writing of the Commission.
- (7) Without prejudice to the generality of subsection (6), the Commission shall not give their consent for the purposes of that subsection unless they are satisfied that any such other person would be in a position to comply with all of the conditions included in the licence which would have effect during the period for which it is to be in force.

 - (iii) if so, what steps would be required to be taken by or in relation to him in order for any such requirements to be complied with;

- (b) revoke the award of a licence to a body where a relevant change takes place after the award, but before the grant, of the licence;

 - (b) determine that any condition imposed by them in relation to any licence in pursuance of subsection (2)(c) has not been satisfied,any provisions of this Part relating to the awarding of licences of the kind in question shall (subject to subsection (4)) have effect as if the person to whom the licence was awarded or granted had not made an application for it.
- (4) Those provisions shall not so have effect if the Commission decide that it would be desirable to publish a fresh notice under this Part in respect of the grant of a licence, or (as the case may be) a further licence, to provide the service in question.
- (5) Every licence shall include such conditions as the Commission consider necessary or expedient to ensure that where –
 - (a) the holder of the licence is a body, and
 - (b) a relevant change takes place after the grant of the licence,the Commission may revoke the licence by notice served on the holder of the licence and taking effect forthwith or on a date specified in the notice.

- (7) Any financial penalty payable by any body by virtue of subsection (5) shall, in addition to being recoverable from that body as provided by section 38(4), be recoverable by the Commission as a debt due to them from any person who controls that body.

 - (g) that the signals carrying the multiplex service attain high standards in terms of technical quality and reliability throughout so much of the area for which the service is provided as is for the time being reasonably practicable, and

- (2) Any conditions imposed in pursuance of subsection (1)(a) or (b) may be varied by the Commission with the consent of the licence holder (and section 3(4)(b) shall accordingly not apply to any such variation).
- (3) Where the licence holder applies to the Commission for the variation of any condition imposed in pursuance of subsection (1)(b) and relating to the characteristics of any of the digital programme services to be broadcast under the licence, the Commission shall vary the condition accordingly unless it appears to them that, if the application were granted, the capacity of the digital programme services broadcast under the licence to appeal to a variety of tastes and interests would be unacceptably diminished.

any reference in subsection (1) to an accounting period of his shall include a reference to such part of the accounting period preceding that first complete accounting period, or (as the case may be) following that last complete accounting period, as falls within the licence period; and other references to accounting periods in this Part shall be construed accordingly.

- (4) If the amount deducted by way of commission as mentioned in subsection (3) exceeds 15 per cent. of the payment by the advertiser, the amount of the receipt in question shall be taken to be the amount of the payment less 15 per cent.
- (5) If, in any accounting period of the holder of the multiplex licence, a programme provider or an additional services provider or a person connected with any of them derives, in relation to any programme to be included in the relevant service, any financial benefit (whether direct or indirect) from payments made by any person other than the licence holder, by way of sponsorship, for the purpose of defraying or contributing towards costs incurred or to be incurred in connection with that programme, the relevant payments shall be taken to include the amount of the financial benefit so derived by the licence holder or the connected person, as the case may be.

 - (c) a programme provider is engaged in any activity which, if engaged in by another person, would result in payments falling within subsection (1)(c) being made to the programme provider, or
 - (d) an additional services provider is engaged in any activity which, if engaged in by another person, would result in payments falling within subsection (1)(d) being made to the additional services provider,

the Commission may, if they consider that the amount which would (apart from this subsection) be the multiplex revenue for that accounting period is less than it would have been if the digital programme service or digital additional service had been provided, or the activity engaged in, by another person at arm's length, treat the multiplex revenue as increased by the amount of the difference.

- (8) Where, in any accounting period of the holder of the multiplex licence, the licence holder or a programme provider or additional services provider receives payments falling within subsection (1)(a), (b), (c) or (d) from a person connected with him and it appears to the Commission that the amount which (apart from this subsection) would be the multiplex revenue for that accounting period is less than it would have been if the arrangements between him and the connected person were such as might be expected between parties at arm's length, the Commission may treat the multiplex revenue as increased by the amount of the difference.
- (9) In this section –
 - “additional services provider”, in relation to a multiplex licence, means any person who provides any digital additional service for broadcasting by means of the multiplex service to which the licence relates;

 - (i) payments falling within paragraph (c) or (d) of section 14(1), and
 - (ii) payments received or to be received from the holder of the multiplex licence which would fall within one of those paragraphs but for the fact that they are received from the holder of the multiplex licence,less
 - (b) the amount of any payments made or to be made to the holder of the multiplex licence in respect of the provision of multiplex services in that period.
- (3) In a case falling within subsection (7) or (8) of section 14, the Commission may treat the share of multiplex revenue attributable to any person for the accounting period of the holder of the multiplex licence as increased by such amount as they consider appropriate to take account of the circumstances mentioned in that subsection.

 - (ii) proposals which supplement any proposals submitted by the licence holder under section 7(4)(f), and
 - (b) notify the applicant of requirements which must be met by that supplementary technical plan or those supplementary proposals and relate to the matters referred to in section 7(4)(b)(i) and (ii) and (f).
- (5) The consent of the Secretary of State shall be required for any exercise by the Commission of their powers under subsection (4) and for any decision by the Commission not to exercise those powers; and in deciding whether to give his consent the Secretary of State shall have regard to any report made to him under subsection (1)(b) of section 33 and to any representations received by him on consultation under subsection (4) of that section.
- (6) Where any such application is made before the relevant date, the Commission may postpone consideration of it by them for as long as they think appropriate having regard to subsection (10).

- (6) Section 42 of the 1990 Act (power to revoke Channel 3 or 5 licence) shall have effect in relation to a multiplex licence as it has effect in relation to a Channel 3 licence, but as if the reference in subsection (1)(a) of that section to Part I of the 1990 Act were a reference to this Part.

digital capacity (except to the extent that the restriction is reasonably required for the purpose of ensuring the technical quality of the broadcasts or for the purpose of securing compliance with any other condition of the licence),

 - (b) providing for the adjustment of any overpayment or underpayment.
- (6) Where –
 - (a) the first complete accounting period of the licence holder falling within the period for which the licence is in force (“the licence period”) does not begin at the same time as that period, or
 - (b) the last complete accounting period of his falling within the licence period does not end at the same time as that period,

any reference in subsection (1) to an accounting period of his shall include a reference to such part of the accounting period preceding that first complete accounting period, or (as the case may be) following that last complete accounting period, as falls within the licence period; and other references to accounting periods in this Part shall be construed accordingly.

56 Multiplex revenue

- (1) For the purposes of section 55(1) the multiplex revenue for each accounting period of the holder of a national radio multiplex licence shall consist of –

- (2) If, in connection with the inclusion of any advertisements or other programmes whose inclusion is paid for by payments falling within subsection (1)(a)(i), any payments are made to the holder of the radio multiplex licence or any person connected with him to meet any payments payable by the licence holder by virtue of section 55(1), those payments shall be regarded as made in consideration of the inclusion of the programmes in question.
- (3) In the case of an advertisement included as mentioned in subsection (1)(a)(i), (c)(i) or (d)(i) under arrangements made between –
- (a) the holder of the radio multiplex licence, a programme provider or an additional services provider or any person connected with any of them, and

the amount of any receipt by the licence holder, programme provider or additional services provider or any connected person that represents a payment by the advertiser from which the advertising agent has deducted any amount by way of commission shall, except in a case falling within subsection (4), be the amount of the payment by the advertiser after the deduction of the commission.

- (5) If, in any accounting period of the holder of the radio multiplex licence, a programme provider or an additional services provider or a person connected with any of them derives, in relation to any programme to be included in the relevant service, any financial benefit (whether direct or indirect) from payments made by any person other than the licence holder, by way of sponsorship, for the purpose of defraying or contributing towards costs incurred or to be incurred in connection with that programme, the relevant payments shall be taken to include the amount of the financial benefit so derived by the licence holder or the connected person, as the case may be.

 - (a) the licence holder provides a digital sound programme service or digital additional service for broadcasting by means of the multiplex service,
 - (b) the licence holder is engaged in any activity which, if engaged in by another person, would result in payments falling within subsection (1)(a) being made to the licence holder,
 - (c) a programme provider is engaged in any activity which, if engaged in by another person, would result in payments falling within subsection (1)(c) being made to the programme provider, or
 - (d) an additional services provider is engaged in any activity which, if engaged in by another person, would result in payments falling

within subsection (1)(d) being made to the additional services provider,

the Authority may, if they consider that the amount which would (apart from this subsection) be the multiplex revenue for that accounting period is less than it would have been if the digital sound programme service or digital additional service had been provided, or the activity engaged in, by another person at arm's length, treat the multiplex revenue as increased by the amount of the difference.

- (8) Where, in any accounting period of the holder of the multiplex licence, the licence holder or a programme provider or additional services provider receives payments falling within subsection (1)(a), (b), (c) or (d) from a person connected with him and it appears to the Authority that the amount which (apart from this subsection) would be the multiplex revenue for that accounting period is less than it would have been if the arrangements between him and the connected person were such as might be expected between parties at arm's length, the Authority may treat the multiplex revenue as increased by the amount of the difference.
- (9) In this section –
- “additional services provider”, in relation to a national radio multiplex licence, means any person who provides any digital additional service for broadcasting by means of the radio multiplex service to which the licence relates;
- “programme provider”, in relation to a national radio multiplex licence, means any person who provides a digital sound programme service for broadcasting by means of the radio multiplex service to which the licence relates.

provider in relation to a national radio multiplex service in respect of any accounting period of the holder of the radio multiplex licence shall be –

- (a) the aggregate of –
 - (i) payments falling within paragraph (c) or (d) of section 56(1), and

- less
- (b) the amount of any payments made or to be made to the holder of the radio multiplex licence in respect of the provision of radio multiplex services in that period.
- (3) In a case falling within subsection (7) or (8) of section 56, the Authority may treat the share of multiplex revenue attributable to any person for the accounting period of the holder of the national radio multiplex licence as increased by such amount as they consider appropriate to take account of the circumstances mentioned in that subsection.
- (4) In this section “additional services provider” and “programme provider”, in relation to a national radio multiplex licence, have the same meaning as in section 56.

58 Duration and renewal of national or local radio multiplex licences

- (3) An application for the renewal of a radio multiplex licence under subsection (2) may be made by the licence holder not earlier than four years before the date on which it would otherwise cease to be in force and not later than the relevant date.
- (4) At any time before determining the application, the Authority may –
 - (a) require the applicant to furnish –
 - (i) a technical plan which supplements that submitted by the licence holder under section 46(4)(b) or 50(4)(b), and
 - (ii) in the case of a national radio multiplex licence, proposals which supplement that submitted by the licence holder under section 46(4)(f), and
 - (b) notify the applicant of requirements which must be met by that supplementary technical plan or those supplementary proposals

and relate to the matters referred to in section 46(4)(b)(i) and (ii) or 50(4)(b)(i) and (ii).

- (5) The consent of the Secretary of State shall be required for any exercise by the Authority of their powers under subsection (4) and for any decision by the Authority not to exercise those powers; and in deciding whether to give his consent the Secretary of State shall have regard to any report made to him under subsection (1)(b) of section 67 and to any representations received by him on consultation under subsection (4) of that section.
- (6) Where any such application is made before the relevant date, the Authority may postpone consideration of it by them for as long as they think appropriate having regard to subsection (10).
- (7) Where an application for the renewal of a radio multiplex licence has been duly made to the Authority, they may refuse the application only if –
 - (a) it appears to them that the applicant has failed to comply with any of the conditions included in his licence,
 - (b) any supplementary technical plan or supplementary proposals submitted under subsection (4)(a) fail to meet requirements notified to the applicant under subsection (4)(b), or
 - (c) they are not satisfied that the applicant would, if his licence were renewed, provide a service which complied with the conditions to be included in the licence as renewed.
- (8) Subject to subsection (9), on the grant of any such application the Authority may with the consent of the Secretary of State, and shall if so required by him –
 - (a) specify a percentage different from that specified under section 46(1)(h) as the percentage of multiplex revenue for each accounting period of his that will be payable by the applicant in pursuance of section 55(1) during the period for which the licence is to be renewed, or
 - (b) specify such a percentage where none was specified under section 46(1)(h);and the Authority may specify under paragraph (a) or (b) either of the things mentioned in section 46(2)(b).
- (9) Where an order under section 55(2) is in force on the relevant date, no percentage of multiplex revenue shall be payable as mentioned in subsection (8)(a) during the period for which the licence is to be renewed.
- (10) Where the Authority have granted a person's application under this section, they shall formally renew his licence from the date on which it would otherwise expire; but in the case of a national multiplex licence they shall not so renew his licence unless they have notified him of any percentage specified by them under subsection (8) and he has, within such period as is specified in that notification, notified them that he consents to the licence being renewed on those terms.

- (11) Where a radio multiplex licence has been renewed under this section, the licence as renewed shall include such further conditions as appear to the Authority to be appropriate for securing the implementation of any supplementary technical plan and supplementary proposals submitted under subsection (4)(a).
- (12) In this section “the relevant date”, in relation to a radio multiplex licence, means the date which the Authority determine to be that by which they would need to publish a notice under section 46(1) or 50(2) if they were to grant, as from the date on which that licence would expire if not renewed, a fresh licence to provide the service formerly provided under that licence.
- (13) Nothing in this section prevents the holder of a radio multiplex licence from applying for a new licence on one or more occasions in pursuance of a notice under section 46(1) or 50(2).

- (1) If the Authority are satisfied that the holder of a radio multiplex licence has failed to comply with any condition of the licence or with any direction given by the Authority under or by virtue of any provision of this Part, they may (subject to the following provisions of this section) serve on him –

 - (b) a notice reducing the period for which the licence is to be in force by a specified period not exceeding two years.
- (2) The amount of any financial penalty imposed in pursuance of subsection (1)(a) on the holder of a national radio multiplex licence shall not exceed whichever is the greater of –
 - (a) £50,000, or

 - (b) in any other case, 5 per cent. of the share of multiplex revenue attributable to him for that accounting period (as so determined),

and in relation to a person whose first complete accounting period falling within the relevant period has not yet ended, paragraphs (a) and (b) above shall be construed as referring to 3, or (as the case may be) 5, per cent. of the amount which the Authority estimate to be the share of multiplex revenue attributable to him for that accounting period (as so determined).

- (7) Where the Authority serve a notice on a BBC company under any provision of this section, they shall send a copy of the notice to the Secretary of State.
- (8) Subject to subsection (9), section 111 of the 1990 Act (power to revoke licence granted under Chapter II of Part III of the 1990 Act) shall have effect in relation to a radio multiplex licence as it has effect in relation to a licence under Chapter II of Part III of the 1990 Act.
