PROJET DE LOI

ENTITLED

The Banking Supervision (Bailiwick of Guernsey) Law, 2020

THE STATES, in pursuance of their Resolutions of the 30th October, 2015^a and the 27th November, 2015^b, have approved the following provisions which, subject to the Sanction of Her Most Excellent Majesty in Council, shall have force of law in the Bailiwick of Guernsey.

PART I

REGULATION OF DEPOSIT-TAKING BUSINESS

Restriction on acceptance of deposits

Prohibition of unlicensed deposit-taking business.

1. (1) Subject to the provisions of subsection (2), a person shall not in the Bailiwick accept a deposit in the course of carrying on, whether in the Bailiwick or elsewhere, a deposit-taking business except under the authority of, and in accordance with the conditions of, a licence granted by the Commission under the provisions of section 6 (a "**banking licence**").

^a Article V of Billet d'État No. XVIII of 2015.

^b Article VIII of Billet d'État No. XX of 2015.

(2) This section does not apply in relation to –

- (a) a person specified in Schedule 1 (provided that the exemption of a person so specified is subject to any restriction specified in Schedule 1 in relation to that person), or
- (b) a transaction of a class or description specified for the purposes of this subsection by regulations of the States of Guernsey Policy and Resources Committee (**“the Committee”**).

(3) The Committee may by regulation amend Schedule 1 –

- (a) by adding any person to it or removing any person from it, or
- (b) by removing, relaxing or extending any restriction set out in it or by imposing any new restriction.

(4) Regulations under subsection (2) or (3) may prescribe transactions by reference to any factor appearing to the Committee to be appropriate and, without limitation, by reference to all or any of the following –

- (a) the amount of the deposit in question,
- (b) the total liability of the person accepting the deposit to depositors or other creditors,

- (c) the circumstances in which or the purpose for which the deposit is made,
- (d) the identity of the person by whom the deposit is made or accepted, including that person's membership of a class whose membership is determined otherwise than by the Commission,
- (e) the number of, or the amount involved in, transactions of a particular class or description carried out by the person accepting the deposits or the frequency with which that person carries out transactions of any particular class or description.

(5) Regulations under subsection (2) or (3) may provide that any exemption is subject to such conditions or requirements as may be specified in the regulations.

(6) Where circumstances change such that an exemption under this section in respect of –

- (a) a person, or
- (b) a business or transaction carried out by a person,

is no longer applicable, it is the duty of that person, within a period of 14 days immediately following the day on which that person becomes aware of the change, to give notice in writing to the Commission of the change of circumstances.

(7) A person who contravenes any provision of this section is guilty of an offence.

(8) The fact that a deposit is accepted in contravention of the provisions of this section does not affect any civil liability arising in respect of the deposit or the money deposited.

Meaning of "deposit".

2. (1) Subject to the provisions of this section and of any regulations under section 4, "**deposit**" means, for the purposes of this Law, unless the contrary intention appears, a sum of money paid on terms –

- (a) under which it will be repaid, with or without interest or a premium, either on demand or at a time or in circumstances agreed by or on behalf of the person making the payment and the person receiving it, and
- (b) which are not referable to the provision of property or services or the giving of security,

and references in the provisions of this Law to depositors, to money deposited and to the making of a deposit shall be construed accordingly.

(2) For the purposes of subsection (1)(b), money is paid on terms which are referable to the provision of property or services or the giving of security if, and only if –

- (a) it is paid by way of advance or part payment under a

contract for the sale, hire or other provision of property or services and is repayable only in the event of the property or services not in fact being sold, hired or otherwise provided,

- (b) it is paid by way of security for the performance of a contract or by way of security in respect of loss which may result from the non-performance of a contract, or
- (c) without prejudice to paragraph (b), it is paid by way of security for the delivery up or return of any property, whether in a particular state of repair or otherwise.

(3) Except to the extent that any provision of this Law specifically provides otherwise, in this Law "**deposit**" does not include a sum paid –

- (a) by a licensed institution,
- (b) by a person specified in Schedule 1,
- (c) by any other person in the course of carrying on a business consisting wholly or mainly of lending money,
- (d) by one company to another at a time when one is a subsidiary of the other, both are subsidiaries of another company or the same individual is a shareholder controller of both,
- (e) by a person who, at the time of payment, is a close

relative of the person receiving it or who is, or is a close relative of, the holder of an approved supervised role or vetted supervised role in respect of that person.

(4) Subsection (3)(e) has effect in its application to a sum paid by a partnership (other than a limited partnership with legal personality) as if for the reference to the person paying the sum there were substituted a reference to each of the partners.

Meaning of "deposit-taking business".

3. (1) Subject to the provisions of this section and of any regulations under section 4, a business is a "**deposit-taking business**" for the purposes of this Law if –

- (a) in the course of the business money received by way of deposit is lent to others, or
- (b) any other activity of the business is financed to any material extent out of the capital of or the interest on money received by way of deposit.

(2) A business is not a deposit-taking business for the purposes of this Law if in the normal course of the business –

- (a) the persons carrying on the business do not hold themselves out as accepting deposits on a day to day basis, and
- (b) any deposits which are accepted are accepted only on

particular occasions, whether or not involving the issue of debentures or other securities.

(3) For the purposes of subsection (1), all the activities which a person carries on by way of business shall be regarded as a single business carried on by that person.

(4) In determining for the purposes of subsection (2)(b) whether deposits are accepted only on particular occasions, regard shall be had to the frequency of those occasions and to any characteristics distinguishing them from each other.

(5) For the purposes of subsection (2) there shall be disregarded –

- (a) any deposit in respect of the acceptance of which the person in question is exempt from the prohibition in section 1(1), and
- (b) any money received by way of deposit which is not used in the manner described in subsection (1).

Power to make regulations.

4. (1) The Committee may make regulations –

- (a) concerning deposit-taking business,
- (b) amending the meaning of "deposit", "depositor" and "deposit-taking business" for the purposes of all or any of the provisions of this Law.

(2) Without prejudice to the generality of subsection (1)(b), regulations thereunder amending the meaning of "deposit", "depositor" or "deposit-taking business" may provide for the taking into account, as the activities of a company, of the activities of any person connected with the company in such manner as may be specified in the regulations.

Licensing

Applications for banking licences.

5. (1) A person wishing to obtain a banking licence shall apply in that behalf to the Commission.

(2) The application shall also state in or from within which, if any, of the islands of the Bailiwick the applicant proposes to carry on deposit-taking business.

(3) An application for a banking licence shall be made in such form and manner as the Commission may require and shall be accompanied by –

- (a) a statement of –
 - (i) the nature and scale of the proposed deposit-taking business,
 - (ii) the applicant's plans for the future development of that business, and
 - (iii) particulars of the applicant's arrangements for

the management of that business,

- (b) such other information or documents as the Commission may reasonably require for the purpose of determining the application, and
- (c) the appropriate fee prescribed by regulations under section 7,

provided that where the applicant is already the holder of a banking licence the Commission may in its absolute discretion waive the requirements of paragraph (a) and instead require the applicant to provide a statement setting out the extent to which any information, statement or other document provided by the applicant in connection with a previous application has changed.

(4) Upon receipt of an application for a banking licence and at any time thereafter the Commission may by notice in writing require the applicant or any person who is or is to be the holder of a supervised role in respect of the applicant to provide such additional information, statements or other documents as the Commission may reasonably require for the purpose of determining the application.

(5) Any information, statement or other document to be provided to the Commission under this section shall be in such form as the Commission may require; and the Commission may by notice in writing require the applicant or any person mentioned in subsection (4) –

- (a) to provide a report, in such form as may be specified in the notice, by an accountant or other qualified person, in either case nominated or approved by the

Commission, on such aspects of that information, statement or other document as the Commission may specify,

- (b) to attend at such time and place as may be specified in the notice in order to give an explanation of and to answer questions relating to any such information, statement, document or report or anything in them.

(6) The Commission's requirements under subsections (3), (4) and (5) may differ as between different applications.

(7) An application may be withdrawn by notice in writing to the Commission at any time before it is determined.

(8) An application is deemed to be withdrawn if -

- (a) the applicant has failed for -

- (i) a period of three months, or

- (ii) such longer period as the Commission may have specified by notice in writing to the applicant,

to provide any information, statement or other document required by the Commission for the purpose of determining the application,

- (b) the Commission has, whether before or after the

expiration of the period specified in paragraph (a), given written notice to the applicant that a failure to provide any information, statement or other document described in that paragraph will result in its application being deemed to be withdrawn under this subsection,

- (c) a period of 14 days has expired following the giving of that notice, and
- (d) on the date of expiration of the periods specified in paragraphs (a) and (c) (whichever date is later) -
 - (i) that notice has not been withdrawn by the Commission, and
 - (ii) the information, statement or other document in question has not been provided.

(9) Before deciding whether or not to grant a banking licence the Commission shall, if the application contains a statement under subsection (2) to the effect that the applicant proposes to carry on a deposit-taking business in or from within Alderney or Sark, consult the Policy and Finance Committee of the States of Alderney or, as the case may be, the Policy and Finance Committee of the Chief Pleas of Sark.

(10) If at any time a licensed institution proposes to carry on a deposit-taking business in or from within Alderney or Sark, the Commission shall consult in the manner described in subsection (9).

Grant or refusal of banking licences.

6. (1) The Commission may, upon receipt of an application for a banking licence -

(a) subject to the provisions of subsection (2), grant the application and issue a banking licence to the applicant, or

(b) refuse the application.

(2) Without prejudice to the generality of its powers conferred by subsection (1)(b), the Commission shall not grant an application for a banking licence unless satisfied that the criteria specified in Schedule 2 (the “**minimum criteria for licensing**”) are fulfilled -

(a) in relation to the applicant, and

(b) in relation to any person who is or is to be the holder of an approved supervised role or vetted supervised role in respect of the applicant.

(3) In considering whether or not to grant an application for a banking licence, and without limitation, the Commission may take into account (so far as relevant) –

(a) the provisions of any code of practice or guidance issued under section 41 of this Law or section 57 or 120 of the Enforcement Powers Law, and

- (b) any matter to which it may have regard under the provisions of section 28 or 29 of the Enforcement Powers Law when considering whether or not to suspend or revoke a banking licence.

- (4) A banking licence may only be granted to a company.

- (5) The Commission may refuse an application for a banking licence which is not accompanied by the appropriate fee prescribed by regulations under section 7 or which is otherwise not made in accordance with the provisions of this Law.

Fees regulations and recovery of fees.

- 7. (1) The Committee may by regulation prescribe fees to be payable to the Commission in connection with -

- (a) any of the matters specified in subsection (2), and
- (b) such other matters as the Committee may by regulation prescribe for the purposes of this Law.

- (2) The matters referred to in subsection (1)(a) are -

- (a) applications for or in respect of, and the grant, renewal or variation of, banking licences,
- (b) the deposit with or giving to the Commission of any return, accounts, report or other document, information

or notification under the provisions of or for the purposes of this Law,

- (c) an application, other than one mentioned in paragraph (a), request or notification to the Commission under the provisions of or for the purposes of this Law,
- (d) any other matters in respect of licensed institutions or banking licences.

(3) Regulations under this section may also make such provision as the Committee thinks fit in respect of the charging of interest in the event of default in the due payment of fees, charges, penalties and other amounts required to be paid to the Commission by or under the provisions of this Law.

(4) Regulations under this section may, without limitation -

- (a) prescribe fees to be payable to the Commission annually or periodically,
- (b) specify the dates, times, intervals, occasions, circumstances or events on, at, in or within which the payment of fees or interest is to be made,
- (c) provide for the determination or calculation of any fee or interest -
 - (i) in accordance with or by reference to a scale or other factors prescribed by the regulations, or

- (ii) on such other basis as may be so prescribed,
 - (d) make provision for the payment of fees and interest by instalments of such number and amounts and at such times as the regulations may specify or as the Commission may determine, and
 - (e) make provision for the variation, on the application of the payer or of the Commission's own motion, of -
 - (i) the amount of any interest, or
 - (ii) the number, amounts and times of the instalments by which any fee or interest is to be paid.
- (5) Fees and interest payable pursuant to regulations under this section -
- (a) are recoverable from -
 - (i) the person making the application, request or deposit concerned or giving the notification or information concerned,
 - (ii) the licensed institution by or in respect of which, or in respect of the banking licence or business of which, the fee or interest is payable, or

- (iii) such other person or entity, or class or description of person or entity, as may be specified by the regulations,

as a civil debt due to the Commission,

- (b) may not (except to the extent that express provision to the contrary is made by or under the regulations or otherwise by or under the provisions of this Law) be refunded, remitted, reduced or waived,
- (c) shall, where appropriate, be proportioned in such manner as may be prescribed by the regulations.

(6) Without prejudice to the provisions of section 60(5), regulations under this section may make different provision in respect of -

- (a) different categories, classes or descriptions of banking licence or licensed institution or different categories, classes or descriptions of deposit-taking business, or
- (b) the same categories, classes or descriptions of banking licence or licensed institution or the same category, class or description of deposit-taking business, for different purposes or in respect of different circumstances.

(7) The provisions of this section are in addition to and not in derogation from any other provision of this Law or the provisions of the regulatory

Laws in respect of the payment of fees, interest and penalties.

Conditions of banking licences.

8. (1) The Commission may, by notice in writing, when granting a banking licence or at any time thereafter, impose such conditions in respect of the licence as it thinks fit.

(2) Such conditions may apply to licensed institutions generally, to any class or description of licensed institution or to any particular licensed institution.

(3) The Commission may, by notice in writing, vary or rescind any condition in respect of a banking licence.

(4) Without prejudice to the generality of subsection (1), the conditions which may be imposed in respect of a banking licence may make provision as to the duration of the licence and for the protection of the institution's depositors or potential depositors; and without limitation such conditions may –

- (a) require the institution to take certain steps, to refrain from adopting or pursuing a particular course of action or to restrict the scope of its business in a particular way,
- (b) impose limitations on the acceptance or repayment of deposits, the granting of credit, the making of investments or the carrying on of business,
- (c) prohibit the institution from soliciting (whether at all or in any specified manner) deposits or business, either generally or from persons who are not already

depositors,

- (d) prohibit the institution from entering into any other transaction or class or description of transactions,
- (e) require the removal of any person who is the holder of a supervised role in respect of, or who is an officer, employee or auditor of, the institution,
- (f) specify requirements to be fulfilled otherwise than by action taken by the institution,
- (g) require the furnishing to the Commission, at such times, intervals and places as may be specified by the Commission, of such information and documents, and of accounts of such description, in such form and containing such information and particulars, as may be so specified,
- (h) specify requirements as to the capitalisation and liquidity of the business of the institution,
- (i) prohibit, restrict or impose limitations on the carrying on of deposit-taking business, or any class or description of deposit-taking business, in or from within any place, or any particular place, outside the Bailiwick –
- (i) by the institution itself,

- (ii) by any undertaking established by the institution (including, without limitation, any branch, subsidiary, ancillary vehicle or special purpose vehicle thereof), or
- (iii) through or by means of a relationship with any person (including, without limitation, a relationship of partnership, affiliation or association).

(5) An institution which contravenes any condition of a banking licence is guilty of an offence.

(6) The contravention of a condition of a banking licence is, whether or not constituting an offence under subsection (5), a ground for the suspension or revocation of the licence (see sections 28 and 29 of the Enforcement Powers Law) but does not of itself invalidate any contract entered into or transaction completed before the date of suspension or revocation.

(7) An institution whose banking licence is subject to a condition as to its duration may apply under section 5 for a new banking licence and, if that licence is granted, the first-mentioned licence shall cease to have effect.

(8) In considering whether or not to impose, vary or rescind any condition in respect of a banking licence the Commission may, without prejudice to the generality of the foregoing provisions of this section, have regard (so far as relevant) to any matter to which it may have regard under the provisions of section 6 of this Law or section 28 or 29 of the Enforcement Powers Law when considering

whether or not to grant an application for a banking licence or (as the case may be) to suspend or revoke a banking licence.

Surrender of banking licences.

9. (1) A licensed institution may surrender its banking licence by notice in writing served upon the Commission.

(2) A surrender takes effect, subject to the provisions of subsection (5), upon service of the notice or such later date as may be specified therein; and where a later date is so specified, the licensed institution may by a further notice in writing served upon the Commission substitute an earlier date upon which the surrender is, subject as aforesaid, to take effect, not being earlier than the date upon which the further notice was served.

(3) The surrender of a banking licence is, subject to the provisions of subsection (5), irrevocable unless it is expressed to take effect on a particular date and before that date the Commission, upon the written application of the licensed institution, by notice in writing to the licensed institution allows the surrender to be withdrawn.

(4) The Commission may, on receipt of an application under subsection (3), decide not to allow the surrender of a banking licence to be withdrawn; but, where the Commission so decides, without prejudice to the powers of the Commission conferred otherwise than by this section, the surrender does not have effect before the end of the period within which, under section 21, an appeal can be brought or, if an appeal is brought within that period, before the appeal is determined.

(5) A surrender of a banking licence is not effective unless prior written consent to the surrender has been obtained from the Commission.

(6) The Commission may refuse its consent to the surrender of a banking licence -

- (a) if, in the opinion of the Commission, the liabilities of the licensed institution have not been discharged or transferred,
- (b) if the Commission believes that the surrender would not be in the interests of the public or the reputation of the Bailiwick as a finance centre, or
- (c) if the name of the licensed institution would not, immediately after the surrender, comply with the requirements of section 49 of the Enforcement Powers Law.

(7) Upon the surrender of a banking licence no fee paid or payable by the licensed institution concerned pursuant to regulations under section 7 shall be refunded, remitted, reduced or waived.

Principles of conduct

Principles of conduct for licensed institutions.

10. (1) A licensed institution must deal with the Commission in an open and co-operative manner and keep the Commission promptly informed of anything concerning it or its business, or the deposit-taking business in relation to which it is acting as licensed institution, which ought reasonably to be disclosed to the Commission.

(2) Without limitation, the Commission may have regard to the duty imposed by this section in performing any of its functions.

Directions

Power to issue directions.

11. (1) The Commission may, at any time, by notice in writing, give such directions to any person referred to in subsection (2) (the "**directed person**"), requiring the directed person to do or not to do any thing, as appear to the Commission to be necessary or desirable in the interests of the public or the reputation of the Bailiwick as a finance centre, whether for the purpose of safeguarding assets or otherwise.

(2) A direction under this section may be given to -

- (a) a licensed institution,
- (b) subject to the provisions of subsections (5) and (8), a former licensed institution,
- (c) a person carrying on deposit-taking business -
 - (i) who is exempted by the provisions of this Law from the requirement to be licensed hereunder, or
 - (ii) otherwise in such circumstances specified in the provisions of this Law as not to require licensing

hereunder,

in respect of such business,

(d) a person who is the holder of a supervised role in respect of, or is an officer or employee of -

(i) a licensed institution, or

(ii) a person described in paragraph (c),

(e) a person who has or is reasonably suspected of having contravened any prohibition, restriction, condition, obligation, enforcement requirement, other requirement, duty, direction or arrangement imposed, issued or arising under any of the provisions of this Law or the regulatory Laws,

(f) an ancillary vehicle of a person or entity specified in any other paragraph of this subsection, or

(g) a person or entity or class or description of person or entity prescribed for the purposes of this section by regulations of the Committee.

(3) The Commission may vary or rescind a direction by notice in writing served on the directed person.

(4) Without prejudice to the generality of subsection (1), a direction

may –

- (a) require the directed person to take certain steps, to refrain from adopting or pursuing a particular course of action or to restrict the scope of its business in a particular way,
- (b) prohibit or impose limitations on the carrying on of deposit-taking business and other business, the acceptance or repayment of deposits, the granting of credit or the making of investments,
- (c) prohibit, restrict or impose limitations on the carrying on of deposit-taking business, or any class or description of deposit-taking business, in or from within any place, or any particular place, outside the Bailiwick
-
 - (i) by the directed person,
 - (ii) by any undertaking established by the directed person (including, without limitation, any branch, subsidiary, ancillary vehicle or special purpose vehicle thereof), or

direction may provide that -

- (i) assets kept in the custody of a trustee, custodian, licensed fiduciary, licensed institution or other person pursuant to the direction shall not, so long as the direction is in force, be removed from such custody or be made the subject of any charge, mortgage, hypothèque, secured interest (including a security interest within the meaning of the Security Interests (Guernsey) Law, 1993^c), trust, assignment, lien, right of set-off or other dealing except with the prior written consent of the Commission,
- (ii) any charge, mortgage, hypothèque, secured interest (including a security interest within the meaning of the Security Interests (Guernsey) Law, 1993), trust, assignment, lien, right of set-off or other dealing purportedly created, executed or entered into by the directed person in contravention of the direction shall be ineffective against any claim by any liquidator of that person,

- (k) require the directed person to provide evidence of -
 - (i) compliance with -
 - (A) any provision of this Law and the regulatory Laws, or
 - (B) any prohibition, restriction, condition, obligation, enforcement requirement,

other requirement, duty, direction or arrangement imposed, issued or arising under any such provision, and

- (ii) fulfilment of any of the applicable minimum criteria for licensing (whether in relation to the directed person or any person who is or is to be the holder of a supervised role in respect of, or an officer or employee of, the directed person),

in whatever form and manner and at whatever time the Commission may reasonably determine,

- (l) where a notice of revocation or proposed revocation of licence has been issued to the directed person under the provisions of the Enforcement Powers Law, require the directed person to take all reasonable steps to procure the transfer of all or any of the directed person's depositors, investors or customers to another licensed institution acceptable to the Commission,
- (m) require the directed person to prepare consolidated accounts (in addition to any accounts required to be prepared by virtue of the provisions of this Law),
- (n) require the directed person to appoint a compliance officer,
- (o) require the directed person to deposit with the

Commission, and to comply with, a recovery plan acceptable to the Commission,

- (p) require the directed person to obtain professional indemnity insurance in such amount and upon such terms and conditions as may be specified,
- (q) contain such ancillary, incidental and supplementary provision as the Commission may determine.

(5) A direction may be imposed on a former licensed institution only within a period of six years immediately following the date on which the former licensed institution ceased to be licensed, unless in any particular case the Commission directs otherwise with the prior written authority of a majority of the members of the Commission.

However, for the avoidance of doubt, a direction imposed on a former licensed institution within that six year period may, in accordance with subsection (7), remain in force after the expiration of that period.

(6) A direction may be imposed on a person or entity which has at any time been or been deemed to be a directed person of a class or description specified in subsection (2) in all respects as if they were a person or entity which is currently a directed person of that class or description, but only for a period of six years immediately following the date on which that person or entity ceased to be or be deemed to be a directed person of that class or description, unless in any particular case the Commission directs otherwise with the prior written authority of a majority of the members of the Commission.

However, for the avoidance of doubt, a direction imposed on a person or entity which has at any time been or been deemed to be a directed person of a class or description specified in subsection (2) within that six year period may, in accordance with subsection (7), remain in force after the expiration of that period.

This subsection does not apply to a former licensed institution.

(7) A direction shall remain in force until rescinded by the Commission, unless it is expressed to be of limited duration in which case it shall remain in force until -

- (a) the occurrence of such date, time, event or circumstance as may be specified in it,
- (b) such prohibitions, restrictions or requirements as may be so specified are complied with, or
- (c) rescinded by the Commission, if earlier.

For the avoidance of doubt, a direction imposed on a licensed institution or other person or entity of a class or description referred to in subsection (2) may remain in force after -

- (i) the date of revocation, suspension, expiration or surrender of the banking licence, or, as the case may be,
- (ii) the date on which that person or entity ceases to be a person or entity of that class or description.

(8) No direction under this section shall be given to a former licensed institution after it has ceased to have any liability in respect of deposits in respect of which it had a liability at a time when it held a banking licence; and any direction in force in respect of such an institution shall cease to have effect when the institution ceases to have any such liability.

(9) A person who contravenes any provision of a direction under this section is guilty of an offence.

(10) Where the directed person is a licensed institution, the contravention of a direction under this section -

- (a) is, whether or not constituting an offence under subsection (9), a ground for the suspension or revocation of the banking licence held by the directed person (see sections 28 and 29 of the Enforcement Powers Law), but
- (b) does not of itself invalidate any contract entered into or transaction completed before the date of suspension or revocation.

(11) In the event of failure by the directed person to comply with a direction under this section, the Commission may, without prejudice to any other penalties, powers or proceedings in respect of the failure to comply, apply to the appropriate Court for an order requiring the directed person to comply, in such manner as the appropriate Court thinks fit, with the direction; and an order of the appropriate Court under this subsection may contain such incidental, ancillary,

consequential and supplementary provision, and may be made on such terms and conditions and subject to such penalty, as the appropriate Court thinks proper.

(12) In considering whether or not to impose, vary or rescind any direction the Commission may, without limitation, have regard (so far as relevant) to any matter to which it may have regard under the provisions of section 6 of this Law or section 28 or 29 of the Enforcement Powers Law when considering whether or not to grant an application for, or (as the case may be) to suspend or revoke, a banking licence.

(13) The Commission may publish, in such manner (including, without limitation, by being placed on the Commission's official website) and for such period as the Commission may determine, notice of the imposition, variation or rescission of a direction and the date from which any such direction, variation or rescission is effective; and, in deciding whether or not to do so, the Commission shall have regard to the interests of the public and the reputation of the Bailiwick as a finance centre.

The publication may contain such information in respect of any person named therein, and such ancillary, incidental and supplementary information, as the Commission may determine.

(14) In this section the "**appropriate Court**" means -

- (a) the Court of Alderney, where the directed person is within the jurisdiction of that Court,
- (b) the Court of the Seneschal, where the directed person is within the jurisdiction of that Court,

- (c) the Royal Court, in any other case.

- (b) a nominated officer,
- (c) an auditor,

(4) The Committee may by regulation amend this section so as to add to, remove or vary the positions, interests or roles included in each category of supervised role set out in subsections (1), (2) and (3).

(5) For the avoidance of doubt, the fact that a person is the holder of a supervised role does not of itself establish that that person is a shadow director within the meaning of section 132 of the Companies (Guernsey) Law, 2008 or 163(1) of the Companies (Alderney) Law, 1994.

Information as to institutions

List of, and information as to, licensed institutions.

(6) If at any time it appears to the Commission -

(a) whether in consequence of -

(i) any grant, suspension, revocation, surrender or expiry of a banking licence, or

(ii) any change in relation to a licensed institution, or

(b) due to an error or for any other reason,

that the list or any particular contained in an entry in the list is inaccurate, the Commission shall make such addition, erasure or other alteration to the list or entry

as the Commission considers necessary.

(7) The list and any publication under this section may contain such information in respect of any person named therein, and such ancillary, incidental and supplementary information, as the Commission may determine.

- (b) that the interests of depositors or potential depositors of the licensed institution would not in any other manner be threatened by that person becoming the holder of an approved supervised role of that description, or
- (c) without prejudice to paragraphs (a) and (b), that, having regard to that person's likely influence on the licensed institution as the holder of an approved supervised role of the description in question -
 - (i) the minimum criteria for licensing would continue to be fulfilled -

(A) in relation to that licensed institution, or

(B) in relation to any person who is or is to be the holder of a supervised role in respect of or employee of that licensed institution, or

(ii) if any of those criteria were not so fulfilled, that that person would be likely to undertake remedial action.

(4) A notice of objection under this section shall (without prejudice to the provisions of section 19) specify the matter mentioned in subsection (3) as to which the Commission is not satisfied.

(5) The Commission may, by notice in writing, and subject to such conditions as it thinks fit, exempt any person or licensed institution or class, description or category of person or licensed institution from the application of all or any of the requirements of subsection (1), either generally or in any particular case or class of case, and whether before or after the event in question.

- (b) the Commission has notified B or the licensed institution in writing that there is no objection to B becoming the holder of such a role;

and, for the purposes of this subsection, the Commission's written notification that there is no objection to a person becoming the holder of such a role shall be deemed to have been given in any particular case on the expiration of a period of 60 days beginning on the date of compliance by that person or the licensed institution with the requirements of this subsection and any other requirements imposed under subsection (2) (or such longer period as the Commission may, before the expiration of that period, determine) unless, before the expiration of that period, the Commission serves notice of objection under this section on that person or the licensed institution.

(2) A notification under subsection (1) shall be given in such form and manner as the Commission may require and shall be accompanied by –

and, following receipt of notification under subsection (1) from any person, the Commission may by notice in writing require that person to furnish such additional information or documents as the Commission may require for the purpose referred to in paragraph (a).

(3) The Commission may serve a notice of objection under this

section if it is not satisfied -

- (a) that (having regard to the applicable minimum criteria for licensing) the person concerned is a fit and proper person to become the holder of a vetted supervised role of the description in question in respect of the licensed institution,
- (b) that the interests of depositors, investors or customers of or in the licensed institution would not in any other manner be threatened by that person becoming the holder of a vetted supervised role of that description, or
- (c) without prejudice to paragraphs (a) and (b), that, having regard to that person's likely influence on the licensed institution as the holder of a vetted supervised role of the description in question -

 - (A) in relation to that licensed institution, and
 - (B) in relation to any person who is or is to be the holder of a supervised role in respect of or employee of that licensed institution, or

- (ii) if any of those criteria were not so fulfilled, that that person would be likely to undertake remedial action.

(4) A notice of objection under this section shall (without prejudice to the provisions of section 19) specify the matter mentioned in subsection (3) as to which the Commission is not satisfied.

(5) The Commission may, by notice in writing, and subject to such conditions as it thinks fit, exempt any person or licensed institution or class, description or category of person or licensed institution from the application of all or any of the requirements of subsection (1), either generally or in any particular case or class of case, and whether before or after the event in question.

Notification of change of holder of supervised role.

16. (1) Subject to the provisions of subsection (4), where any person becomes or ceases to be the holder of a supervised role in respect of a licensed institution, the licensed institution shall give notice in writing to the Commission of the fact.

(2) Subject as aforesaid, a notice required to be given under subsection (1) shall be given within a period of 14 days immediately following the day on which the person in question became or (as the case may be) ceased to be the holder of a supervised role.

(5) A licensed institution which fails to give notice in accordance with this section is guilty of an offence unless it shows (for the avoidance of doubt, on a balance of probabilities) that it was not aware that the facts or circumstances were such as to require the giving of such notice; but in such a case it is guilty of the offence if it fails to give such notice within a period of 14 days immediately following the day on which it became or ought reasonably to have become so aware.

- (b) becomes entitled to exercise, or control the exercise of, whether in a single transaction or by a series of transactions over whatever period of time, such further percentage of that voting power as increases the total thereof to more than 50% (an “**additional controller holding**”),

he shall notify the Commission of the fact and obtain the Commission's written approval thereto.

- (2) Where a person, alone or with associates -

- (a) is entitled to exercise, or control the exercise of, more than 50% of the voting power (whether in general meeting or otherwise) of a body which is a licensed institution or (where that body is a company) of any other company of which that body is a subsidiary, and
- (b) ceases to be entitled to exercise, or control the exercise of, whether in a single transaction or by a series of transactions over whatever period of time, such percentage of that voting power as reduces the total thereof to 50% or less (a “**reduced controller holding**”),

he shall notify the Commission of the fact.

(3) A notification under subsection (1) or (2) shall be given in such form and manner as the Commission may require and shall be accompanied by -

- (b) such fee as may be prescribed by regulations under section 7;

and, following receipt of such notification from any person, the Commission may by notice in writing require that person to furnish such additional information or documents as in either case the Commission may require (for the purpose, in the case of notification under subsection (1), referred to in paragraph (a)).

(4) The Commission may serve a notice refusing approval for the purposes of subsection (1) if it is not satisfied -

- (a) that (having regard to the applicable minimum criteria for licensing) the person concerned is a fit and proper person to exercise, or control the exercise of, any voting power described in subsection (1) in respect of the licensed institution or any company of which the licensed institution is a subsidiary,
- (b) that the interests of depositors or potential depositors of the licensed institution would not in any other manner be threatened by that person becoming entitled to

exercise, or control the exercise of, any such voting power, or

(c) without prejudice to paragraphs (a) and (b), that, having regard to that person's likely influence on the licensed institution as a person entitled to exercise, or control the exercise of, any such voting power -

(i) the minimum criteria for licensing would continue to be fulfilled -

(ii) if any of those criteria were not so fulfilled, that that person would be likely to undertake remedial action.

(5) A notice refusing approval for the purposes of subsection (1) shall (without prejudice to the provisions of section 19) specify the matter mentioned in subsection (4) as to which the Commission is not satisfied.

(6) For the purposes of subsection (1) the Commission's written approval shall be deemed to have been given in any particular case on the expiration of a period of 60 days beginning on the date of compliance by that person with the

requirements of subsection (1) and any other requirements imposed under subsection (3) (or such longer period as the Commission may, before the expiration of that period, determine) unless, before the expiration of that period, the Commission serves notice on the person concerned refusing its approval of the change.

(7) The Commission may, by notice in writing, and subject to such conditions as it thinks fit, exempt any person or licensed institution or class, description or category of person or licensed institution from the application of all or any of the requirements of subsection (1) or (2), either generally or in any particular case or class of case, and whether before or after the event in question.

(8) A person ("A") who fails to give notice in accordance with subsection (1) or (2) is guilty of an offence unless A shows (for the avoidance of doubt, on a balance of probabilities) that A was not aware that the facts or circumstances were such as to require the giving of such notice; but in such a case A shall be guilty of the offence if A fails to give such notice within a period of 14 days immediately following the day upon which A becomes or ought reasonably to have become so aware.

PART II

APPEALS, OBTAINING OF DOCUMENTS, ACCOUNTS AND OTHER SUPERVISORY REQUIREMENTS

Representations, notice of decisions and appeals

Representations concerning proposed decisions of Commission.

18. (1) Before the Commission makes a decision in respect of which a right of appeal is conferred by section 21, other than a decision to serve a notice under section 15, 17 or 28, the procedure prescribed in this section shall be followed.

(2) The Commission shall serve on the person by whom, in the opinion of the Commission, the right of appeal would be exercisable if the Commission were to make the proposed decision (the "**person concerned**") a notice in writing -

- (a) stating that the Commission is proposing to make the decision,
- (b) stating the terms of and the grounds for the proposed decision,
- (c) setting out particulars of or accompanied by -
 - (i) any order, restriction, condition, obligation, requirement, duty, direction or arrangement proposed to be imposed, renewed, varied or rescinded, or
 - (ii) any notice proposed to be served,
- (d) stating that the person concerned (and, where appropriate, the person upon whom a copy of the notice is served under subsection (3)) may, within a period of 28 days (or such longer period as the Commission may specify in the notice or subsequently allow) beginning on the date of the notice, make written and/or oral representations to the Commission in respect of the proposed decision in such manner as the Commission

may from time to time determine,

- (e) containing or accompanied by, in accordance with the provisions of section 20(1), a statement of the reasons for the proposed decision (but subject to the provisions of section 20(2)), and
- (f) giving particulars of the right of appeal which would be exercisable under section 21 if the Commission were to make the proposed decision.

(3) Where -

- (a) a ground for the proposed decision is that any of the minimum criteria for licensing are not or have not been fulfilled, or may not be or may not have been fulfilled, in the case of any person, or
- (b) any proposed order, restriction, condition, obligation, requirement, duty, direction or arrangement requires the removal or replacement of any person as an officer, employee or auditor, or holder of a supervised role,

the Commission shall serve upon that person a copy of the notice mentioned in subsection (2) (which copy may omit any matter which does not relate to that person) together with particulars of the right of appeal which would be exercisable under section 21 if the Commission were to make the proposed decision.

(4) The Commission shall consider any representations made in

response to a notice served under this section before giving further consideration to the proposed decision.

(5) The Commission may also, in performing its functions under the provisions of this Law or the regulatory Laws, and without limitation, have regard to -

- (a) any representations made in response to a notice served under this section, or
- (b) any failure or omission to make any such representations.

(6) The period of 28 days mentioned in subsection (2)(d) may be reduced in any case in which the Commission considers it necessary to do so in the interests of the public or the reputation of the Bailiwick as a finance centre; and if by reason of those interests the Commission considers that the decision in question needs to be taken immediately as a matter of urgency then, with the prior written authority of not less than two ordinary members of the Commission, the procedure prescribed in this section may be dispensed with altogether.

Notice of decisions of Commission.

19. (1) Where the Commission (having taken into account, where appropriate, any representations made by the person concerned) makes a decision in respect of which a right of appeal is conferred by section 21, notice in writing of the decision -

- (a) shall be served by the Commission on the person concerned,

- (b) shall state the terms of and the grounds for the decision,
- (c) shall set out particulars of or be accompanied by -
 - (i) any order, restriction, condition, obligation, requirement, duty, direction or arrangement imposed, renewed, varied or rescinded, or
 - (ii) any notice to be served,
- (d) shall contain or be accompanied by, in accordance with the provisions of section 20(1), a statement of the reasons for the decision (but subject to the provisions of section 20(2)), and
- (e) shall give particulars of the right of appeal conferred by section 21;

and "**the person concerned**" means the person by whom, in the opinion of the Commission, the right of appeal is exercisable.

- (2) Where -
 - (a) a ground for a decision notice of which is required to be served under subsection (1) is that any of the minimum criteria for licensing are not or have not been fulfilled, or may not be or may not have been fulfilled, in the case of any person, or

- (b) an order, restriction, condition, obligation, requirement, duty, direction or arrangement requires the removal or replacement of any person as an officer, employee or auditor, or holder of a supervised role,

the Commission shall serve upon that person a copy of the notice mentioned in subsection (1) (which copy may omit any matter which does not relate to that person) together with particulars of the right of appeal conferred by section 21.

Disclosure of reasons for decisions of Commission.

20. (1) When the Commission serves notice on a person -

- (a) under section 19(1) or (2) of a decision in respect of which a right of appeal is conferred by section 21, or
- (b) under section 18(2) or (3) stating that the Commission is proposing to make such a decision,

the Commission shall, subject to the provisions of subsection (2), provide that person with a written statement of the reasons for the decision or proposed decision, as the case may be.

(2) Subsection (1) does not require the Commission to specify any reason which would in its opinion involve the disclosure of confidential information the disclosure of which would be prejudicial to -

- (a) a criminal or regulatory investigation (whether in the Bailiwick or elsewhere),

- (b) co-operation or relations with investigatory, regulatory or prosecuting authorities, whether in the Bailiwick or elsewhere, or
- (c) a third party (wherever situated).

(3) Where, pursuant to the provisions of subsection (2), the Commission omits any matter from a statement of reasons, it shall inform the person to whom the statement was provided of the fact that there has been such an omission and give particulars of the right of appeal conferred by section 21.

- (c) to refuse to vary or rescind any condition so imposed,
- (d) under section 9 -

- (n) which is a decision of such class or description as the States may by Ordinance prescribe for the purposes of this section,

may appeal to the Royal Court against the decision.

(2) Where -

- (a) a ground for a decision described in subsection (1) is that any of the minimum criteria for licensing are not or have not been fulfilled, or may not be or may not have been fulfilled, in the case of any person, or
- (b) the effect of a decision described in subsection (1) is to require the removal or replacement of any person as an officer, employee or auditor, or holder of a supervised role,

the person to whom the ground relates or whose removal or replacement is required may appeal to the Royal Court against the finding that there is a ground for the decision or, as the case may be, against the decision to require that person's removal or replacement.

(3) The grounds of an appeal under this section are that -

- (a) the decision was ultra vires or there was some other error of law,
- (b) the decision was unreasonable,
- (c) the decision was made in bad faith,
- (d) there was a lack of proportionality, or
- (e) there was a material error as to the facts or as to the procedure.

(4) An appeal under this section shall be instituted –

- (b) by summons served on the Chairman of the Commission stating the grounds and material facts on which the appellant relies.

(5) The Commission may, where an appeal under this section has been instituted, apply to the Royal Court, by summons served on the appellant, for an order that the appeal shall be dismissed for want of prosecution; and upon hearing the application the Royal Court may -

- (a) dismiss the appeal or dismiss the application (in either case upon such terms and conditions as the Royal Court may direct), or

(6) On an appeal under this section the Royal Court may -

the Royal Court may, upon the application of the appellant, and on such terms and conditions as the Royal Court thinks just, suspend or modify the operation of the decision in question pending the determination of the appeal.

This subsection is without prejudice to section 18(6).

(8) For the purposes of determining an appeal under this section against a decision of the Commission described in subsection (1)(k) to omit, pursuant to the provisions of section 20(2), any matter from a statement of reasons, the Royal Court may examine the information the disclosure of which the Commission considers would be prejudicial; and, unless the Royal Court orders otherwise, the information shall not, pending the determination of the appeal or at any time thereafter, be disclosed to the appellant or any person representing the appellant.

Appeals from Royal Court to Court of Appeal.

22. (1) An appeal from a decision of the Royal Court made under the provisions of this Law (including a decision made on an appeal from the Court of Alderney or the Court of the Seneschal) lies, with leave of the Royal Court or Court of Appeal, to the Court of Appeal on a question of law.

(2) Section 21 of the Court of Appeal (Guernsey) Law, 1961^e ("powers of a single judge") applies to the powers of the Court of Appeal to give leave to appeal under subsection (1) as it applies to the powers of the Court of Appeal to give leave to appeal under Part II of that Law.

^e Ordres en Conseil Vol. XVIII, p. 315; there are amendments not material to this enactment.

Restriction on successive challenges.

23. (1) The Commission shall not (unless, in the opinion of the Commission, there are exceptional circumstances to justify doing so, the burden of proving which shall be on the applicant) proceed to consider an application by a person for the variation or revocation of an order or other decision to which this section applies where -

- (a) the application is a further application, that is to say, an application which relates to a person in respect of whom a previous application for the variation or revocation of that order or other decision has been received by the Commission,
- (b) in the opinion of the Commission, that further application discloses no significant change in any material circumstances concerning that person (the burden of proving that there has been such a significant change being on the applicant), and
- (c) either -
 - (i) an appeal under section 21 relating to a previous such application in respect of that person has been commenced but not yet determined, or
 - (ii) within the period of 12 months immediately preceding receipt of that further application -

Invitations to make deposits

Control of advertising.

24. (1) The Commission may make rules in respect of the issue, form and content of deposit advertisements.

(2) Rules under this section may, without prejudice to the generality of subsection (1) or section 60 –

- (a) prohibit the issue of advertisements of any class or description (whether by reference to their contents, to the persons by whom they are issued or otherwise),
- (b) make provision as to the matters which must or which may not be included in deposit advertisements,
- (c) provide for exemptions from any prohibition or requirement imposed by the rules, including exemptions by reference to a person's membership of a

class whose membership is determined otherwise than by the Commission.

(3) Subject to the provisions of subsection (4), a person who issues or causes or permits to be issued, in or from within the Bailiwick or (in the case of a Bailiwick body) in or from within any place whatsoever, an advertisement the issue of which is prohibited by rules under this section or which otherwise contravenes any provision of such rules is guilty of an offence.

(4) A person ("A") whose business it is to publish or arrange for the publication of advertisements is not guilty of an offence under subsection (3) if A proves (for the avoidance of doubt, on a balance of probabilities) that –

- (a) A received the advertisement for publication in the ordinary course of A's business,
- (b) the matters contained in the advertisement were not (wholly or in part) devised or selected by A or by any person under A's direction or control, and
- (c) A did not know and had no reason to believe that publication of the advertisement would constitute an offence.

(5) In this section a "**deposit advertisement**" means any advertisement containing –

- (a) an invitation to make a deposit, or

- (b) information which is intended or might reasonably be presumed to be intended to lead directly or indirectly to the making of a deposit.

(6) For the purposes of this section –

- (a) an advertisement issued or caused or permitted to be issued by any person by way of display or exhibition in a public place shall be deemed to have been issued or caused or permitted to be issued by that person on every day on which that person causes or permits it to be displayed or exhibited,
- (b) the issue of an advertisement inviting deposits with a person specified in the advertisement shall, unless the contrary is proved (for the avoidance of doubt, on a balance of probabilities), be presumed to have been caused by that person,
- (c) an advertisement issued outside the Bailiwick shall be deemed to have been issued in the Bailiwick if it is directed to persons in the Bailiwick, or if it is made available to them otherwise than by means published, circulated, displayed, broadcast or transmitted principally outside the Bailiwick or principally for reception outside the Bailiwick.

(7) If the Commission considers that –

- (a) any deposit advertisement issued or proposed to be issued is misleading, or
- (b) the issue, form or content of any such advertisement constitutes or would constitute a contravention of this section or any rule under it,

the Commission may give the advertiser a direction under this section.

(8) A direction under this section may (without limitation) contain any or all of the following –

- (a) a prohibition on the issue of any advertisements or any advertisements of a specified class or description,
- (b) a prohibition on the issue of any advertisements which are, wholly or substantially, repetitions of an advertisement which has been issued and which is identified in the direction,

- (d) a requirement that any advertisements or any advertisements of a specified class or description shall be modified in a specified manner,

- (e) such ancillary, incidental and supplementary provision as the Commission may determine.

(9) A direction under this section –

- (a) may have immediate effect, and
- (b) if given orally, shall be confirmed by the Commission in writing not later than the next business day.

(10) A direction under this section may be varied or rescinded by the Commission by notice in writing to the advertiser concerned.

(11) A direction under this section shall remain in force until rescinded by the Commission, unless it is expressed to be of limited duration in which case it shall remain in force until -

- (a) the occurrence of such date, time, event or circumstance as may be specified in it,
- (b) such prohibitions, restrictions or requirements as may be so specified are complied with, or
- (c) rescinded by the Commission, if earlier.

(12) In the event of failure by an advertiser to comply with a direction under this section, the Commission may, without prejudice to any other penalties, powers or proceedings in respect of the failure to comply, apply to the appropriate Court for an order requiring the advertiser to comply, in such manner as

the appropriate Court thinks fit, with the direction; and an order of the appropriate Court under this subsection may contain such incidental, ancillary, consequential and supplementary provision, and may be made on such terms and conditions and subject to such penalty, as the appropriate Court thinks proper.

(13) The Commission may publish, in such manner (including, without limitation, by being placed on the Commission's official website) and for such period as the Commission may determine, notice of the imposition, variation or rescission of a direction and the date from which any such direction, variation or rescission is effective; and, in deciding whether or not to do so, the Commission shall have regard to the interests of the public and the reputation of the Bailiwick as a finance centre.

The publication may contain such information in respect of any person named therein, and such ancillary, incidental and supplementary information, as the Commission may determine.

(14) In this section the "**appropriate Court**" means -

- (a) the Court of Alderney, where the advertiser is within the jurisdiction of that Court,
- (b) the Court of the Seneschal, where the advertiser is within the jurisdiction of that Court,
- (c) the Royal Court, in any other case.

(15) A person who issues or causes or permits to be issued, in the Bailiwick or elsewhere, an advertisement the issue of which is prohibited by a

direction under this section or who otherwise contravenes any provision of such a direction is guilty of an offence.

(16) The provisions of this section are in addition to and not in derogation from the provisions of section 11.

Unsolicited calls.

25. (1) The Committee may make regulations in respect of the making of unsolicited calls on persons in the Bailiwick, or from the Bailiwick on persons elsewhere, with a view to procuring the making of deposits.

(2) Regulations under this section may, without prejudice to the generality of subsection (1) or section 60 –

- (a) prohibit the soliciting of deposits from, and the making of agreements with a view to the acceptance of deposits from, persons on whom unsolicited calls are made and the procuring of such persons to make deposits or to enter into such agreements,
- (b) specify persons by whom or circumstances in which unsolicited calls may be made,
- (c) require specified information to be disclosed to persons on whom unsolicited calls are made.

(3) A person who contravenes the provisions of any regulation under this section is guilty of an offence.

(4) In this section "**unsolicited call**" means a personal visit or oral communication made without express invitation.

Notification of certain matters

Reports of large exposures.

26. (1) A licensed institution other than one whose principal place of business is outside the Bailiwick shall make a report to the Commission if it proposes to enter into transactions relating to any one person which, either alone or together with previous transactions entered into by it in relation to that person, would result in its being exposed to a risk of incurring losses in excess of 25% of its capital base.

(2) The provisions of subsection (1) apply also where the transactions relate to different persons who are connected in such a way that the financial soundness of any of them may affect the financial soundness of the others or the same factors may affect the financial soundness of them all.

(3) If a licensed institution to which subsection (1) applies has subsidiaries which are not licensed institutions, the Commission may by notice in writing to the licensed institution direct that the provisions of subsection (1) shall apply to it as if the transactions and capital base of the subsidiaries, or such of them as are specified in the notice, were included in those of the institution.

(4) The reports required to be made under the provisions of subsection (1) shall be made before the transactions are entered into or at such time (if any) after the transactions are entered into as may be specified by notice in writing given by the Commission to the institution; and such reports shall be made in such form and manner, and shall contain such information and particulars and shall be accompanied by such documents, as the Commission may require.

(5) An institution which fails to make a report in accordance with the provisions of this section is guilty of an offence unless it shows (for the avoidance of doubt, on a balance of probabilities) that it was not aware that the facts or circumstances were such as to require the making of the report; but in such a case the institution is guilty of the offence if it fails to make the report within a period of 7 days immediately following the day upon which it became or ought reasonably to have become so aware.

(6) The Commission, upon becoming aware (whether upon receipt of a report under subsection (1) or otherwise) –

(a) of a proposal to enter into a transaction described in subsection (1),

(b) that such a transaction has been entered into,

may require the institution concerned and any relevant subsidiary thereof to make such arrangements within such time as may appear to the Commission to be necessary or desirable for the protection of the institution's capital base.

(7) An arrangement under subsection (6) shall be notified in writing by the Commission to the institution concerned; and the institution shall comply with the arrangement in all respects.

(8) Any question as to whether an institution is or would be exposed to risk as mentioned in subsection (1) (or in that subsection as extended by subsection (2)) shall be determined in accordance with principles published by the Commission or notified by it to the institution concerned; and those principles may in

particular make provision for determining the amount at risk in particular circumstances or the extent to which any such amount is to be taken into account for the purposes of this section.

(9) For the purposes of this section, the capital base of an institution (or, in a case within subsection (3), of an institution and its relevant subsidiaries) and the value of that capital base at any time may, whenever the Commission considers it necessary to do so, be determined by the Commission and notified by it to the institution by notice in writing; and any such determination, which may be varied from time to time, shall be made by the Commission after consultation with the institution concerned and in accordance with principles published by the Commission.

Where the Commission has made no determination under the provisions of this subsection in respect of an institution the capital base of the institution and the value of that capital base shall be determined in accordance with rules or guidance of the Commission in respect of large exposures and the risk thereof, capital base and related matters.

(10) The principles referred to in subsections (8) and (9) may make different provisions for different cases; and those referred to in subsection (8) may in particular exclude from consideration, in whole or in part, risks resulting from transactions of a particular class or description or entered into in particular circumstances or with persons of particular classes or descriptions.

(11) The Committee may by regulation –

- (a) amend subsection (1) so as to substitute, for the percentage for the time being specified therein, some

other percentage,

- (b) make provision for determining for the purposes of this section whether a transaction entered into by an institution relates to any person,
- (c) make provision in respect of the transactions and risks to be taken into account for the purposes of this section, and
- (d) make such provision as it thinks fit for the purpose of carrying this section into effect.

(2) The provisions of section 28 apply in relation to a former licensed institution only for a period of six years immediately following the date on

which it ceased to be licensed, unless in any particular case the Commission directs otherwise with the prior written authority of not less than two ordinary members of the Commission.

However, for the avoidance of doubt, if the powers conferred by section 28 are exercised in respect of a former licensed institution within that six year period, they may continue to be exercised in respect of it after the expiration of that period.

(3) The provisions of section 28 apply in relation to a person or entity which has at any time been or been deemed to be a relevant person of a class or description specified in this section as they apply in relation to a person or entity which is currently a relevant person of that class or description, but only -

(3) Where by virtue of subsection (1) the Commission or an appointed person has power to require the production of any information or documents from a relevant person, the Commission or that appointed person has the like power to require production of the information or documents from any person who appears to the Commission or that appointed person be in possession of them.

(4) Any power conferred by or under the provisions of this section to require a person to produce any documents includes power –

- (a) if the documents are produced -
 - (i) to take copies of them or extracts from them, and
 - (ii) to require –
 - (A) the person who was required to produce them, or

(8) Nothing in the provisions of this section compels the production or divulgence of a communication or item subject to legal professional privilege when it is in the possession of a person who is entitled to possession of it;

(5) The provisions of this section apply in relation to a former licensed institution only for a period of six years immediately following the date on which it ceased to be licensed, unless in any particular case the Commission directs otherwise with the prior written authority of not less than two ordinary members of the Commission.

However, for the avoidance of doubt, if the powers conferred by this section are exercised in respect of a former licensed institution within that six year period, they may continue to be exercised in respect of it after the expiration of that period.

(6) The provisions of this section apply in relation to a person or

entity which has at any time been or been deemed to be an inspected person of a class or description specified in this section as they apply in relation to a person or entity which is currently an inspected person of that class or description, but only -

However, for the avoidance of doubt, if the powers conferred by this section are exercised in respect of a person or entity which has at any time been or been deemed to be an inspected person of a class or description specified in this section within that six year period, they may continue to be exercised in respect of that person or entity after the expiration of that period.

This subsection does not apply to a former licensed institution.

(7) For the avoidance of doubt, if the powers conferred by this section are exercised in respect of a licensed institution or other person or entity of a class or description of inspected person referred to in subsection (4), the powers may continue to be exercised in respect of them after -

- (9) The persons referred to in subsection (8) are -

(14) Nothing in the provisions of this section compels the production or divulgence of a communication or item subject to legal professional privilege when it is in the possession of a person who is entitled to possession of it; but an advocate or other legal adviser may be required to give the name and address (including an electronic address) of any client.
